B fears. Of which I beg permisi
of the account, and the society of the
Certification of precios de todos los
hers. Also their respective
plates, for what they ordered from
printed above, and it
also that he had in the Molino
of flowers, of account of the General
which now he knows, com-
motion.
Considering that Catholic,
and deserves the price of this
article if it is my role to com-
municate these events, as the present
estimated mass at the expense of
these. Also to the expense of
as above. It is, the General
of the General, who has lived in 807, and it is
of those places that I referred
to in my Antecedent.
